My Letter to Santa

Ludik's little packet for writing to Santa, at any age.

Hi, it's Ludik! Shall we write to Santa together this year? In this packet there's a letter for every age, in color or ready to color, a big coloring page (page 8), the envelope labels (page 9) and, for grown-ups, Santa's reply (page 10). Print only the pages your little one needs.

How to mail it to the North Pole

- **The address:** Santa Claus, 123 Elf Road, North Pole, 88888. Letters sent there go to USPS Operation Santa.
- **A stamp:** yes, a regular First-Class stamp, like any letter.
- **Your return address:** your child's first and last name and full address, on the envelope and on the letter too.
- **When?** Get it postmarked by Saturday, December 5, 2026.
- **Good to know:** volunteers may "adopt" a letter and send gifts, but USPS does not promise a reply. For a sure answer, fill in Santa's reply (page 10).

From USPS and USPSOperationSanta.com, checked on November 18, 2026.

Ludik's tip: a letter to Santa is more than a wish list. Tell him about your year, say thank you, think of someone you love. And snap a photo before you mail it: in a few years, it will be a little treasure.

Printing tip: US Letter paper, at actual size (100%). Pages 5 to 8 are black and white to save ink: your little one colors them in.
